

Lecturer's bio:

Alexander Wynne is Academic Head of the Dhammachai Tipiṭaka Project (at Wat Phra Dhammakaya), which is preparing a critical edition of the Pali canon. He was previously a Fellow of St John's College (Oxford), a translator for the Clay Sanskrit Library and a lecturer on the International PhD programme in Buddhist Studies at Mahidol University. He is the author of two books (*The Origin of Buddhist Meditation*, 2007; *The Book of Liberation*, 2009), as well as numerous articles on early Indian Buddhism. His new introduction to Buddhism will be released by I. B. Tauris in November 2014.
